Plant sizes

Plugs
Grown using an innovative cartridge plug system, these young plants have an extra strong root system.

Postiugs
A popular size for good reason. Plant parcels fit through most standard letterboxes. Size: 5-9cm.

Jumbo Plugs
Perfect for planting straight into baskets and other containers. Size: 5-11cm.

Garden Ready Plants
Despatched at the optimum time and usually before blooms have formed for better root growth and more vigorous displays.

Potted Plants
Available in sizes from 7cm, these well-established plants can be planted straight out and into their final positions.

Late Season Potatoes

Second cropping or Late season potatoes are perfect for delicious new potatoes in autumn and right up to Christmas! These tubers are held back by growers under cold conditions so that you can plant them later in the season. They need to be kept frost free, so they make excellent crops for growing in bags, in the greenhouse or in sheltered plots.
